

Darkest Powers Series

The Summoning.

The Summoning is the first instalment of three books that tells the story of a fifteen year old girl, named Chloe Saunders. Everything was relatively normal in her life, until an incident at school sent her to Lyle House, a place for mentally challenged teens. But does Chloe really have a mental illness? With the help of her new friends, Chloe is slowly starting to put all the pieces together as to what's really going on. Follow Chloe on her nowhere near normal adventure, finding who she is and finding out the truth about Lyle House.

The Awakening

The Awakening is the second instalment of a three book series telling the story of fifteen year old necromancer, Chloe Saunders. After seeing a ghost at school, being sent to Lyle House, and discovering her true identity as a necromancer; Chloe is nowhere near ordinary anymore. After escaping the Edison Group, she's on the run with her friends, trying to find someone who can help them with their supernatural abilities. Find out how Chloe handles being a fugitive on the run and all the obstacles that lay ahead.

The Reckoning

The Reckoning is the third and last instalment of the darkest powers trilogy. Say you are a fifteen year old girl named Chloe Saunders; you're a genetically modified necromancer hiding from a group of scientists trying to kill you, because you're a project gone wrong. Among your family and friends you don't know who you can trust, and to top it all off, you're having trouble figuring out your feelings for a certain sorcerer, or was it a werewolf? What would you call your life? Normal? No way.
